

SAUNA ROOM

REFLECTION

Reflect, Relax, Rejuvenate, Repeat

Introducing Reflection, the new sauna room that gets its name from its stunning smoked glass front that beautifully reflects on the outside. Once you step inside, you'll be greeted by a central portal that leads you to the heart of the room where you can relax and reflect.

Exclusive, with attention to details

Reflection is designed with attention to detail and incorporates exclusive craftsmanship, high-end technical solutions for a comfortable and immersive sauna experience. The well-hidden electronics and lighting within the portal create a seamless and easy-to-use experience, allowing you to fully immerse yourself in the peaceful surroundings.

Experience the ultimate in relaxation with this exclusive high-end sauna, available in Glass Front and Glass Corner options. Immerse yourself in innovative technology and revel in the captivating ambiance created by its striking design with a stunning smoked glass that creates beautiful reflections and central portal.

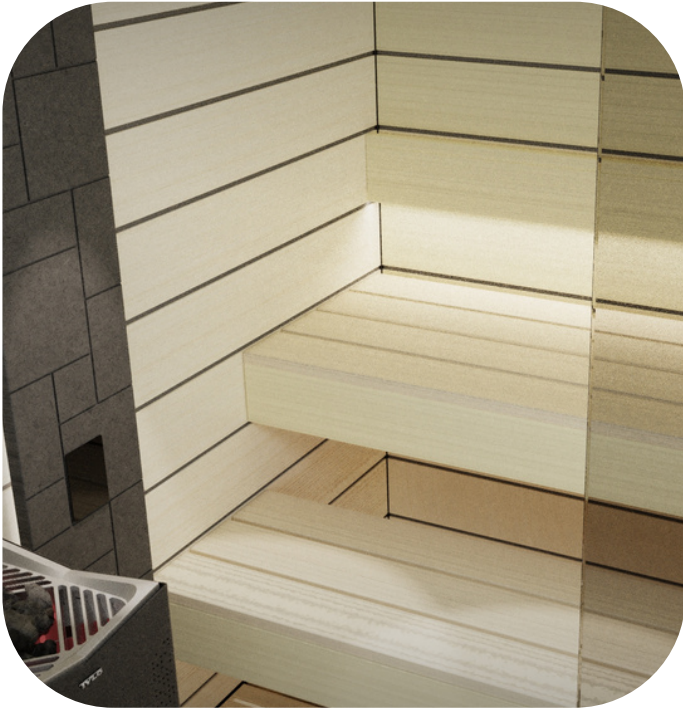

Reflection is available in two stunning designs: Ribbed in Alder and Thermo Alder, and Wide in Aspen and Thermo Aspen. Customize your sauna ambiance using Bluetooth-controlled sound, while enjoying the perfect blend of light sources that enhance your overall relaxation.

Glass Front, or Glass Corner

When selecting your Reflection room, you have the option to personalize it by choosing between a Glass Front or a Glass Corner design. This allows you to tailor the layout and create a unique sauna experience that fits your preferences.
